Notes:

- ① Part of the six-course general education elective requirement (some of this can be co-op credit).
- ② A course from the area of specialization. Most specialization areas are comprised of five courses – see the Undergraduate Bulletin for details. An area of specialization should be chosen by sophomore year.
 - Only courses NOT in the MWD core (and not RPW110, 111) can be taken as P/NP. One per semester - total of eight overall. Courses above in **bold** print cannot be taken as P/NP.
 - This sheet does not take the place of meeting with your advisor prior to registration each semester.
 - Any waiver, substitution, alteration of degree requirements should be **done in writing** – student should keep their own copy.
